No. 15.

COMMISSARIAT ADVERTISEMENT FOR TEA FOR THE MADRAS PRESIDENCY, 1890-91.

SEALED tenders in the form used in the Commissariat Department (blank forms whereof can be had on application at the Commissariat Storekeeper-General's Office, Madras,) will be received by the Commissariat Storekeeper-General, Madras, until 1 o'clock on Thursday, the 31st October 1889 (and opened by him at the same time and place in presence of those interested), for the supply by contract of Indian black tea, not exceeding in quantity 186,383 lbs., to be delivered at the Commissariat Stores at Madras to the Commissariat Storekeeper-General, Madras, on or before the 30th day of April 1890, free of all charges whatsoever. No payment will be made on account of such supply prior to the 1st April 1890. The above quantity is subject to a possible deduction of 183,010 lbs. or less, if favourable tenders for out-stations (as per paragraph 3) are received.

2. **Earnest deposits.**—Each tender must be accompanied by a receipt from the Secretary of the Bank of Madras acknowledging the payment of earnest money equal to the amount shown in the table in paragraph 3, according to the number of stations tendered for, or by Government promissory notes to the same amount duly endorsed over to the Commissariat Storekeeper-General, Madras. If such earnest money is not lodged, the tender will be rejected. Tenders to be sealed and superscribed "Tender for Tea."

3. Tenderers have the option of tendering for the supply of the whole quantity of tea at Madras, as mentioned in paragraph 1, or of supplying at the following stations separately the respective quantities given opposite each station. In the latter case the amount inserted opposite each station is the earnest money to accompany such tenders in the manner set forth in the preceding paragraph:—

Stations.	Tea. lbs.	Earnest money. Rs.
Bangalore	42,580	550
Belgaum	26,260	360
Bellary	16,040	200
Cannanore	7,000	100
Madras	23,373	300
Secunderabad	57,680	700
Wellington	14,460	200
Total	186,383	2,400

4. **Security deposits.**—The earnest moneys of successful competitors will be retained until they lodge with the Commissariat Storekeeper-General at Madras (or with the Executive Commissariat Officers in case separate tenders are accepted for each station) a security deposit at 10 per cent. on the value of the quantity or quantities of tea tendered by them. The security deposit may be lodged either in cash or in Government promissory notes. If the contractor desires to lodge the deposit in cash, he should pay the same to the Secretary of the Bank of Madras or to the nearest Government treasury, and forward to the Storekeeper-General the Bank or Treasury receipt for the same. If Government promissory notes are deposited, they are to be endorsed over to the Commissariat Storekeeper-General, Madras, for the time being as security for the due fulfilment of the contract. The earnest moneys deposited with the successful tenders will be returned to the tenderers.

5. The earnest moneys of all unsuccessful competitors will be returned on the decision of Government as to the acceptance of any tender being received.

6. **Contract deed.**—The successful competitors will be required to sign contracts on the basis of their tenders containing the usual provisions in the form used in the Commissariat Department (form whereof can be seen on application to the Commissariat Storekeeper-General at Madras), and to furnish the requisite security deposit within eight days from the date on which the acceptance of their tenders is notified to them. Should the successful competitors fail to sign the contracts or to furnish the security deposits within the time specified, so much of their earnest moneys will be forfeited as will reasonably compensate Government for such breach of contract, and their tenders will be considered as having been rejected. It is, however, to be clearly understood that the forfeiture of the total amount (if necessary) of such earnest moneys for such defaults shall in no way preclude Government from recovering from the defaulting competitors all such damages as Government may sustain by reason of such defaults, and that the amount of such earnest moneys is not to be taken as the total amount of compensation payable to Government for such defaults.

7. **Size and weight of chests.**—The chests containing the tea must be of suitable material, lined with lead, and the lead-lining thereof must be sound and strong. Each chest must measure 27 inches long by 15 inches wide and 12½ inches deep (outside measurement), and must weigh as per margin. Each chest must be bound completely round with hoop-iron at both ends, the nails being driven so as not to injure the lead-lining. The case should be packed in good strong gunny. No chests of other dimensions than those specified above will be received. No broken or damaged chests will be received.

7a. Each chest should contain ■ lbs. of Indian tea and should be marked "50lbs. net." A certain number of the chests will be opened and examined by a Committee to ascertain that they contain not less than the weight represented, dependent on which examination the remainder will be taken to contain the net weight marked thereon.

8. **Quality of tea.**—The quality of tea will be subject to the approval of, or rejection by, a Committee to be appointed at the request of the Commissary-General by the Officer Commanding the District, and payment will be made for such quantity of tea only as may be approved by the said Committee.

9. **Samples.**—Samples of tea can be had free of charge on application at the Commissariat Storekeeper-General's Office at Madras.

10. Each tender must be accompanied by a sample chest containing ■ lbs. of the tea it is proposed to supply, which will be paid for at the rates tendered if of good quality.

11. **Defaults.**—If the contractors make default in delivering the whole or any part of the tea on or before the 30th April 1890, so much of the security deposited by them as will reasonably compensate Government for such breach of contract will be liable to be realized by Government, and should such security be insufficient to compensate Government for such breach of contract, the contractors will be liable to pay to Government the difference between the amount of such security and such compensation, and any such compensation may, at the option of Government, be deducted either from the moneys payable to the contractors for the tea delivered by them or from the securities deposited by them.

GENERAL STIPULATIONS.

12. All further information may be had on application at the Commissariat Storekeeper-General's Office at Madras.

13. Every tender not made in the required form will be rejected. The form of tender should be signed as well as the schedule of rates, without which the tender is invalid.

14. The Government reserves to itself the right of rejecting any tender without assigning any reason for so doing.

15. No person making a tender shall be allowed to withdraw his tender for the space of ninety days from the date thereof, and in the event of his doing so, his earnest money shall be forfeited to Government.
16. No offers by telegram will be accepted.

(By order of the Commissioner-General.)

7. Each tender must be accompanied by Government Promissory Notes, currency notes or cheques for not less than 3 per cent. of the amount tendered.

8. When a tender is accepted, the deposit, when made in currency notes or cheques, will be held as a payment in part of the amount tendered, and will bear interest at the rate of 5 per cent. per annum from the 20th September 1889, provided that the whole amount tendered is paid up in the manner hereinafter prescribed; but no debenture will issue for the sum so deposited so long as the entire amount of the tender is not paid.

One-third on 21st October 1889.

Ditto on 21st November 1889.

13. Anticipation interest will be paid on all instalments from the respective dates on which such instalments are paid into the Bank of Bengal to the 31st December 1889.

14. Tenders will be accepted in the order of rates tendered, beginning with the highest rate. In the case of two or more tenders at the same rate a *pro rata* allotment will be made (if the tenders are accepted), but no allotment will be issued if the amount distributable on any tender is less than Rs. 500.

15. Tenders will be opened by the Loan Committee of the Commissioners at 3 P.M. on Friday, the 20th September 1889.

Pounds	20,221 1 9	9,677 14 0	This is owing to a fall in the settlements for this year explained in this office No. 728, dated 8th February 1889, and to very unsatisfactory collections in Natore subdivision.
Ferries	18,950 14 8	12,020 12 0	The receipts in 1887-88 included collections from October 1886 to March 1887, which amounted to Rs. 5,699-9-6, and were credited to the fund by the Magistrate in 1887-88.
Grant from Government.	3,473 18 6		This was under consideration of Government. It has now been decided by Government in No. 387, dated 28th March 1889, that the Board would receive a fixed grant of Rs. 1,468 annually from Government.
Balance of District Road Fund	73,155 0 3	73,106 8 10	The difference is due to increase of Rs. 48-11-6 in the actual collections and Rs. 285-13-1 less expenditure on account of collection charges.
Contribution from private parties.	175 0 0	10 0 0	Both of these are from the people of Farid, for their road commenced in 1887-88 and completed in 1888-89.
Rent of kharas and bungalows.	300 13 0	330 8 0	The increase is due to a greater number of travellers having resorted to the bungalow at Beaulah.
Fee, dues, and forfeitures.	1,017 7 7	1,275 3 2	The figures under 1887-88 represent collections for one year, whereas those under 1888-89 represent those for 12. Copying, searching, and process fees had been before July 1887 credited to Road Fund.
Miscellaneous	284 11 4	303 3 4	The increase is chiefly owing to sale proceeds of old trees on sides of Pabna road and to compensation paid by villagers for making water channels across the Tanore road.
Advances	24,650 8 11	10,250 7 6	These are suspense accounts.
